

2011 SACI Holiday Party

The SACI Holiday Party was held at the Highlawn Pavilion in West Orange, New Jersey on December 14th, 2011. It was a clear, brisk night for our 150 guests to see the lights of Manhattan in the distance from historic Eagle Rock Reservation.

The evening started off with a wonderful cocktail hour which was sponsored by Long Distance Energy Consulting. The hour included a raw bar, two carving stations, hot and cold buffet with dinner still to come! During the cocktail hour, we enjoyed holiday music and before we knew it we were ushered to our dinner tables to start the real full festivities, conversing with our guests and stuffing ourselves with five more courses of fabulous food. We were entertained by Puppeteer Joe Pizzi and the music genius of DJ Joey. We topped off the evening with lots of dancing.

There were certainly no shortage of door prizes and tricky tray gifts that were awarded all night to those lucky ticket holders. The prizes included cameras, several TV's, iPods, wine refrigerator, coffee maker, GPS and crystal glasses.

We have already started to plan the 2012 Holiday Party, which will be held at the Highlawn Pavilion again. A huge "THANK YOU" to YOU, our SACI Members and their guests. You make it possible to have tons of fun. Have a happy, healthy and prosperous year. We look forward to seeing you next year!!
